

# From Counseling to Coaching Course

Learn the Basic Principles of **Collaborative** Coaching and  
How to Build a Coaching Practice

## A Course Designed for Mental Health Professionals

- Learn the similarities & differences between coaching & counseling
- Identify & utilize your key counseling strengths & talents in coaching
- Learn the basics of setting up your practice & promoting yourself
- Participate in coaching & being coached exercises
- Expand your horizons & create possibilities for your career

This course is for mental health professionals who want to learn to be a collaborative coach and expand their personal achievements in life and work. It will provide an opportunity to develop and integrate individual, group and organizational coaching into your practice. Workshop includes assignments to enhance and integrate learning into your present practice and create new career directions. **Coaching Round Tables** will be offered after the Course. The Round Tables will meet on a monthly basis and will offer participants the opportunity to continue to develop their coaching practice, to receive consultation on their coaching practice and to network with other mental health professionals who have coaching practices.
